THE LEADING SWIMMING POOL AND WELLNESS EVENT

PISCINE GLOBAL EUROPE 2022 COVERING ALL ASPECTS OF POOL AND SPA DESIGN

Today, a swimming pool is considered a real asset for any construction project! From creating home swimming pools to designing new aquatic leisure centres, demand is growing sharply - to the delight of specifiers. Whether you are an architect, a designer, a property developer or a design office, don't miss Piscine Global Europe, a unique opportunity to expand your range of expertise.

Pool expertise: a key asset for your service portfolio

Your customers are more mindful than ever of the substantial value added by an aquatic facility. But more than anything, **they want a turnkey project** with a **single point of contact** that will meet their desires and needs.

Expertise in aquatics is essential to retain a competitive edge in this flourishing sector. Whether you are looking to reposition your business or expand into new markets, the pool industry has a host of professionals who are on hand to support you right from the design stage.

At Piscine Global Europe 2022, taking place from 15 to 18 November 2022 at Eurexpo in Lyon, you will be able to meet a range of carefully selected French and international pool and spa professionals. From residential pools to commercial facilities and from wellness to outdoor development, **find your ideal partner** and subcontractor for specialist pool design and fitting skills. Addressing the specific constraints of the sector is the key to delivering even higher quality projects!

More than just a trade show: fast-track training at Piscine Global Europe

Piscine Global Europe 2022 is the event you cannot afford to miss if you want to **network with the professionals** and be able to **offer your customers complete solutions**.

In the space of just four days, **hone your aquatics expertise** across a broad range of themes through the discussions and seminars led by industry experts at the Pool Arena. And network with all the show attendees via the Piscine Connect platform and app: use this invaluable tool before, during and after the exhibition to maximise your leads and obtain precise answers to your questions.
